

# CHECKLIST FOR RESOURCE CONSENT APPLICATION: ROADS AND BRIDGES

Updated: 01/06/23

Please complete all sections. Some examples are provided in brackets to help you answer the questions. If you require assistance in completing the application, please feel free to give us a call on (03) 788 9603 or email us at [planning@bdc.govt.nz](mailto:planning@bdc.govt.nz).

Site photos are always helpful. If you are taking photos, take one of where the intersection with the existing road will be. Either print the photos and attach to your application or email them to [planning@bdc.govt.nz](mailto:planning@bdc.govt.nz) with reference to the site that the application is for.

A diagram of the site is essential. It doesn't have to be complicated, but you must include the important measurements like how far the bridge will span or how long the new road will be.

When forming a new road or bridge you will need to hire an engineer at some stage who will prepare the plans for you.

- Have you completed and signed the Application form?
- Have you completed and signed the Assessment of Environmental Effects form?
- Have you completed and signed the Assessment of the Activity against **Part 2 of the Resource Management Act (RMA)** and any relevant Objectives and Policies of the **Operative Buller District Plan** (in accordance with Schedule 4) and the **Proposed Te Tai Poutini Plan**? For assistance, please refer to the documents noted in the relevant sections of the application.
- Have you included any technical reports/assessments?
  - Flood risk Assessment (**essential for bridges**)
  - Coastal hazard assessment if the new formation is close to the coast
  - Geotechnical assessment of the site if it is subject to a hazard
  - Landscape assessment if the application is in a sensitive area
- Have you completed the 'Declaration to Accompany Application for Resource Consent' in regard to the National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health (NES)?
- Have you included a site plan?
- Have you included photos of the site, or
- Plan to email photos to Council?
- Have you included the required deposit?

Please refer to Council's fees and charges: <https://bullerdc.govt.nz/your-council/fees-and-charges/>

Note that this is a deposit only and Council operates on a full cost recovery system. Therefore, if the cost of processing the consent is more than the deposit, you will be charged the additional amount.
- Have you included a copy of the Record of Title (RT). The RT must not be older than 3 months, or
- Do you wish Council to search a copy for you (for a cost of \$40.00 per RT)?
- Have you attached any completed and signed Affected Persons Approval forms? Affected Persons Approval forms and information can be found on our website:

<https://bullerdc.govt.nz/property-rates-and-building/planning-and-resource-consent/planning-application-forms/>

**Advice Note:** Please attach separate sheet(s) if required

As the TTPP process advances, different rules under the TTPP may apply as they come into effect.

Please provide an assessment of your proposal against:

- (a) any relevant objectives, policies, or rules in a document; and
- (b) any relevant requirements, conditions, or permissions in any rules in a document; and
- (c) any other relevant requirements in a document (for example, in a national environmental standard or other regulations).
