

## Westport Airport Parking – Terms and Conditions

Westport Airport has a single on-site car park for short and long term visitors. By entering airport land you agree to the terms and conditions of use which apply 24 hours a day, 7 days a week. If you do not agree to these terms and conditions, please remove your vehicle from the property.

Payment is to be made in the terminal to BDC Ground Staff before flight. Facilities for payment include cash and eftpos only. A 2% transaction fee applies on credit card payments. The maximum charge per week is \$50.

Concessions are available for regular users – see Airport Staff for the application form.

If there is a failure to pay the appropriate parking fee at the time of flight and no approved 'frequent user' arrangement approved in writing, an invoice will be sent which will include a \$20 administration fee. At the authority's discretion, a late payment fee of \$20 may apply on outstanding accounts if payment on the invoice is not made within a month of the flight. All non-compliance costs will be borne by the entity listed on the Motor Vehicle Register.
